

KEYS TO LIVE AGAIN

A Virtual Night In

WEDNESDAY, JUNE 23, 2021, 7:00 PM

Dear Community Partner:

Thank you for your interest in donating to Supportive Housing Communities' fundraising event Keys to Live Again: A Virtual Night In. This event is our most popular and important fundraiser of the year.

The item(s) donated by your company will be used in either our silent auction or watch to win raffle. Supportive Housing Communities (SHC) is a fully registered 501c3 organization (EIN 58-2067479), and your donation is tax deductible as allowed by law.

SHC strives to find innovative solutions to help prevent chronically homeless activity. SHC leverages outreach programs to proactively find keys for our homeless residents. One you might be familiar with is "Tent City" where SHC coordinated with Mecklenburg County officials and other agencies to assist those residents with finding permanent housing. We're passionate and focused assisting homeless individuals with obtaining and keeping safe, affordable housing.

We are currently seeking dynamic additions for the silent auction and would so appreciate your consideration of donating a package or service to the event.

Thank you for your consideration to support Supportive Housing Communities. For any questions, please contact Jessica Williams at jessica@aplacetoliveagain.org.

AUCTION WISH LIST

Our fundraising goal is \$500,000. With your support we will reach our goal. Before and during the event our virtual attendees will be able to bid on silent auction items from their desktop and mobile devices. The key to the success of our auction will be the generous donation of sought-after items from our community partners. **Can you help?**
