Dear Community Partner,

Thanks to the generous support of leaders like you, Supportive Housing Communities (SHC) has been helping to safely house the chronically homeless in Charlotte for nearly 30 years. Founded in 1993 by Father Eugene McCreesh of St. Peter's Catholic Church and St. Peter's Episcopal Church, SHC provides desperately needed permanent rental housing and supportive services to chronically homeless men, women, children and families.

This year marks the 10th anniversary of our signature fundraiser historically known as the A Place to Live Again Luncheon. The event has traditionally attracted 1,000+ people annually and this year we hope to double that number as we host our very first virtual event!

We invite you to sponsor **Keys to Live Again – A Virtual Night In on Wednesday, June 23rd at 7:00pm EST**. We will celebrate the history of SHC, honor key supporters and share our successes in helping the chronically homeless in Mecklenburg County during these unprecedented times.

The residents we serve have been hit hard by the COVID-19 pandemic. They have experienced mental and physical health declines as well as job and income losses. We are actively engaged with Mecklenburg County officials and other agencies to serve former residents of Charlotte's "Tent City". We continuously work to remove the barriers that prevent chronically homeless individuals from obtaining safe and affordable housing.

Our event welcomes all business leaders, government officials and philanthropists throughout Mecklenburg County and surrounding areas. **We hope that you will consider joining our Presenting Sponsor, Bank of America and its Community Development Banking Group in supporting what is sure to be an inspiring evening.** There's more work to be done and we hope you will be one of the Keys to help chronically homeless individuals and families Live Again.

Thank you for your consideration...we hope to see you there!

Sincerely,

SHC Signature Event Team
